Democratic Party Platforms

Health Care / Foreign Policy / Climate Change / Economic Inequality / Gun Control / Immigration / Social Justice / Corporate Power / Abortion / Affordable Education / Drug Price Regulation / Planned Parenthood

1) Pick 6 Democratic Candidates

2) Research and explain where each of your chosen candidates stand on 6 of 12 of these topics.

3) How are their platforms different or the same as the current policy?

4) What is your opinion on both the (topic/issue) and the policy in place and the platform by each of your candidates? What conclusion have you come to.

5) You and your group create policy or laws for 4 of the 12 issues above. Explain why you think that your solutions would work and why it is better than the current policy or how you can make the current policy better for everyone involved.
